

STRONG FAMILIES AZ HOME VISITING CONFERENCE

SEPTEMBER 6-7, 2017

POINTE HILTON TAPATIO CLIFFS HOTEL

VOLUNTEER REGISTRATION FORM

The Strong Families AZ Conference is the largest gathering of home visitors in Arizona every year. The Maternal, Infant and Early Childhood Home Visiting Grant provides financial support for the conference, but we also rely on a large volunteer staff. Please consider being a volunteer at the 2017 conference. It is one of the best ways that you can help us keep this conference widely available to all early childhood home visitors.

Room Monitor: Room monitors serve as the conference host for specific workshops. Duties include providing support for the speaker, reminding participants to fill out evaluations at the end of the session, contacting IT when needed, signaling the speaker when the session is ending, and fielding any questions or concerns by participants or the speaker. As a room monitor, you can volunteer for a specific workshop or allow us to assign you where we need help during a specific workshop period. It is important that you have a cell phone to stay in contact with Conference organizers.

Registration Desk: Volunteers at the registration desk can be assigned to assisting with check-in, answering questions, directing participants to rooms, passing out materials, or whatever tasks are needed at the time. You can volunteer for a specific 2-4 hour time frame. Registration Desk Volunteers must attend a mandatory 30-minute training at 6:00 am Wednesday, September 6.
