

**Strong Families AZ Statewide and Tribal Home Visiting Success Stories:
Sharing What We Have Learned**

The Ninth Annual Strong Families AZ Statewide and Tribal Home Visiting Conference honors the critical role home visitors play in strengthening Arizona families. With the focus on home visitors, we would like to invite home visiting programs to share their successes with others.

At the 2019 conference, local home visiting programs shared extraordinary, innovative approaches to some of the most challenging issues faced by home visitors; proving once again that our greatest teachers are each other! We are inviting home visiting programs to once again, share what they have learned with others. This year, we are asking you to fill out a short description of an innovative practice that you have implemented to improve home visiting. It can be a simple time saving technique or a way to network resources in your community; anything that may be valuable to other programs. Just tell us how you improved your home visiting practice. We will be sharing the written stories at the conference. The deadline for submitting your success story is **May 15, 2020**.

- 1. In 100 words or less, please describe an innovative practice that your team developed to improve home visiting services.

- 2. In 100 words or less, please tell us how this practice improved home visiting services.

- 3. Are you willing to provide a team member to present during a panel discussion about Arizona home visiting programs at the conference on September 15 or 16, 2020? YES___ NO___
