2017 Strong Families AZ Home Visiting Conference
September 6-7, 2017

Hilton Pointe Tapatio Hotel
11111 North 7th Street, Phoenix, Arizona 85020

To increase access to professional development opportunities for home visitors, Strong Families AZ is offering educational support for home visitors and home visiting supervisors working with Arizona families in the following capacities:

- Serving in rural areas of Arizona (defined as more than 60 miles from the conference center);
- Serving on Native or Tribal Lands;
- Working with Children with Special Healthcare Needs, or
- Working with Military Families.

This year educational support participants serve as room monitors for the Strong Families AZ Conference breakout sessions. We hope that those receiving educational support assistance will consider participating as a room monitor, assisting session speakers and audience members with simple logistics support. Please carefully complete the conference registration and the educational support application by July 15, 2017.

Educational support recipients will receive single-occupancy hotel accommodations for the evenings of September 5 and 6, 2017. Recipients will receive a letter with hotel reservation confirmation number and check-in information by August 1, 2017.

Educational support includes hotel room and applicable taxes only.
